Date: June 5, 2018
From: Grant Gerondale, City of Sand Springs
Subject: City of Sand Springs/ RE: Bid No. 1060
Item: Bid Specifications for PVC fence material

Discussion:

Following new information related to the Product Requirements defined in Bid No. 1060 on page No. 2; Item No. 4; line (b)-

the City of Sand Springs is hereby accepting PVC fence materials that meet all other bid specifications in Bid No. 1060, and which ARE made of recycled materials. 100% virgin PVC product and recycled materials will be considered for this bid as equals in our use of the fence.

All other dimensions shown on page 3: Product Specifications shall remain in effect for this bid.

Thank you.
