Section 1. The Fraternal Order of Police recognizes the prerogative of the Management to operate and manage its affairs in all respects in accordance with its responsibilities, as defined in State Statutes and City Charter, and with such conditions affecting the public welfare as they may arise, and all authority shall be retained wholly by the Management.

Management Officials, City Manager and Chief of Police of the City retain the rights in accordance with all applicable laws and regulations including, but not limited to, the following:

- a) To manage and direct the Employees of the Police Department;
- b) To hire, promote, transfer, assign, retain and schedule hours and places of work of Employees in positions with the Police Department;

Just cause shall also exist for immediate suspension with or without pay, at the discretion of the Chief, of any Police Officer who has any misdemeanor charge of assault and battery filed against them related to a claim of excessive use of force directed at a suspect or prisoner who is in the custody of the officer. Further upon a finding at a preliminary hearing that the Officer shall be bound over for trial, or upon a waiver of preliminary hearing without an immediate dismissal of the charges, just cause shall exist for termination. Section 2. Management has the sole authority to determine the purpose, mission, duties, and responsibilities of the City, including the total amount of the budget and its allocation to different functions and to establish priorities.

Section 3. It is understood by both parties that since every duty connected with operations, job descriptions, etc., may not always be described, Employees - at the discretion of the City - may be required to perform duties not specifically defined in their job description, but which may reasonably be considered to be incidental to the performance of their duties just as though they were actually written out in the job description sheet.

Article 3 **Recognition**

Section 1. The Lodge asserts and has furnished documented proof that it represents the majority of the Officers and based upon such assertions and proof, the City hereby recognizes the Lodge as the exclusive collective bargaining unit for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment, and all other negotiable conditions of employment. In the event of a dispute arising as to the bargaining agent of the Officers, the City will not recognize any other bargaining agent until an election has been conducted and it has been determined who the majority of the Officers desire to represent them.

Section 2. To ensure compliance with relevant state law and with the intent and purpose of the City of Sand Springs Charter, Code of Ordinances and personnel rules, probationary Employees who have become full time Employees, but who have not completed the one year employment probationary period, shall be covered by this agreement only to the extent required by state law. Article 4

Article 5
Non-Discrimination

Section 1. The Management and the Lodge agree not to discriminate against any Employee for - or because of – the Employee’s activity in behalf of, or the Employee’s membership in, or the Employee’s lack of membership in, the Fraternal Order of Police. The Management and the Fraternal Order of Police agree that there shall be no discrimination against any Employee covered by this contract in a manner which would violate any applicable laws because of race, creed, sex, religion, national origin, qualified disability or status of Fraternal Order of Police membership or non-membership.

Section 2. All Employees may be subject to a physical and or mental examination(s) to determine the fitness of the individual for continued employment. In the event that an Employee is required by Management to take a physical examination, the Management shall be responsible for the cost of such examination.

The parties acknowledge there may be instances in which an individual employee may have a basis to allege that the document or video should not be "immediately" released. In order to fully protect the interest of the employee in those instances, to protect the interest of the public set forth in the Open Records Act, and to allow the City to have a clear direction of how to proceed, the City retains the management right to determine whether a record is subject to public disclosure, and any objection to disclosure should be made as soon as possible and may require legal action by the employee to delay or preclude disclosure. The City acknowledges and will uphold the confidentiality of employment records as allowed by the Open Records Act.

Article 8

Grievance Procedure

Section 1. Grievances, safety grievances or disputes which may arise, including the interpretation, application or enforcement of this Agreement shall be settled in the following manner:

Step 1. The employee or FOP Lodge who feels that there is sufficient grounds for a grievance shall fill out a grievance form (see Appendix A). This form will identify the members name, members rank, date of the incident, date the member became aware of the incident, date and signature blocks for steps 2-5, as well as narrative sections that will specify which contract provision was violated, facts supporting the grievance as well as the relief requested.

Step 2. The F.O.P. upon receiving a written and signed grievance form (see Appendix A), shall determine whether the grievance merits further processing. If, in the F.O.P.'s opinion, the grievance lacks sufficient merit to warrant further processing, no further action is necessary. To allow for the employee's due process, even if the Lodge fails to find sufficient grounds to support the grievance, the employee may continue this procedure without the support of the FOP Lodge.

- Step 3.** If a grievance does exist, the Grievant shall file and present the grievance form to the Chief of Police within twenty (20) days, excluding Saturday and Sunday, of the incident or knowledge of the incident.
- Step 4.** If, within ten (10) calendar days, excluding Saturday and Sunday, the grievance has not been settled, the grievance form shall then be submitted to the City Manager for adjustment.
- Step 5.** If, within ten (10) calendar days, excluding Saturday and Sunday, the grievance has not been settled, it shall then be submitted to arbitration for adjustment.

Section 2.

- A.** The parties shall submit the matter to arbitration. The FOP shall submit a list of five retired Judges from the State of Oklahoma (Appellate, District, Associate, or Special) from Tulsa County and/or any County which shares a common border with Tulsa County, who shall be the proposed panel for selection. From said list, the City shall select one arbitrator.
- B.** The parties shall attempt to select a mutually satisfactory date at the earliest possible time. In the event the parties are unable to agree upon a date, the arbitrator is empowered to select the date.
- C.** Within 60 days following the conclusion of the hearing and the submission of briefs, if any, by the parties, the arbitrator shall issue a written decision and award containing findings and recommendations with respect to the issues presented. A copy of the opinion shall be mailed or delivered to the Lodge and the Employer.
- D.** The arbitrator's authority shall be limited to the interpretation and application of the terms of this Agreement and/or any supplement thereto. The arbitrator shall have no jurisdiction to establish provisions of a new agreement or variation of the present agreement or to arbitrate away, in whole or in part, any provisions or amendments thereof. This shall not preclude individual wage grievances. With respect to the interpretation, enforcement, or application of the provisions of this agreement, the decision and findings of the arbitrator shall be final and binding on the parties to this Agreement.
- E.** The cost of the arbitrator shall be shared equally between the City and the Grievant, including the cost of the transcript and copies thereof.
- F.** All time limits set forth in the Article may be extended by mutual consent, but if not so extended, they must be strictly observed. If a party fails to pursue any grievance within the time limits provided, he shall have no further right to continue the grievance.

Section 3. It is specifically and expressly understood that filing a grievance under this Article which has as its last step, final and binding arbitration, constitutes an election of remedies and waiver of any and all rights for the Grievant (Lodge and or Employee) or the Employer or representatives thereof, to litigate or to otherwise contest the last answer rendered through the grievance procedure in any court. The foregoing shall not be construed, however, from precluding either of the parties from contesting the jurisdiction of said arbitrator selected, by seeking extraordinary relief, appeal, or other available remedy in a Court having jurisdiction thereon.

Section 4. At the conclusion of the grievance process, all documents pertaining to the process shall be forwarded to the Administration Division for inclusion into a secure file for all written grievances. Copies of the documents should also be sent to the Human Resources Department.

Article 9
Disciplinary Procedures

Section 1. It is the intent of this Section to provide for a method whereby discipline or complaints against Officers may be processed and handled in such a manner as to afford certain safeguards.

The procedure, rights, and privileges set forth in this Article shall be guaranteed each Officer provided they do not interfere with the fulfillment of an Officer's duty or the obligations of the City.

Section 2. No Officer shall be disciplined nor threatened with discipline for the reason of exercising or demanding the rights set forth in this Article.

Section 3. Any person making a complaint against an Officer shall be requested to give a written statement concerning such complaint. If no such statement is given, the complaint may be disposed of in the most appropriate manner in the opinion of the Chief of Police. The lack of a statement by a complainant shall not invalidate a complaint, but those reviewing the complaint may give the appropriate level of notice to this fact. Officers may be requested to informally respond to general questions by a supervisor or staff member in regard to an initial complaint.

If, in the opinion of the Chief of Police, additional inquiry is needed, the Officer shall be advised of the allegations of the complaint and be provided a copy of the written complaint. Officers shall give a written statement if the Chief of Police or Management requires same.

After having conducted an investigation which includes such information or evidence furnished by the Officer, the Chief of Police or Management shall determine if disciplinary action is appropriate. The Officer shall be advised as to the extent and effective date of such discipline.

Section 4. Documentation of ongoing employee performance may be taken care of through a SUPERVISORY NOTICE. This document will detail the officer's deficiency/achievement on the prescribed form. This will be routed through the chain of command and be placed in a file to be held by the Human Resources Department after approval by the Chief of Police. This file will be kept separate from the normal personnel file. This notice will only be retained on file for 1 year and will be automatically purged. These notices may be used for documentation related to an officer's evaluation. If the officer feels that the Supervisor Notice is not warranted, he may appeal this decision to the Chief of Police, whose decision will be final. For the purposes of this article, Supervisory notices are not considered discipline, but a management tool to keep employees and management aware of ongoing employee performance. They may be implemented for positive or negative performance.

Section 5. The Lodge and Management specifically agree that the right to due process that an employee has before discipline is imposed will be handled in the following manner, but this due process may be waived by the employee at any time of his/her own accord. It is further agreed that if management determines that during an investigation, an employee should not be left at full duty status, they may be removed to restricted duty or suspended with pay. Election by management of these options will not be construed as a violation of due process. This section shall also not supersede the rights of management as set forth in Article 2 Section 1c of this agreement. Upon being advised of discipline that has been imposed, the Officer shall have the right to a hearing before a Police Appeal Board. The officer must notify the Chief of Police within 168 hours (including weekends and holidays) of being notified of the discipline that he/she has elected to have a hearing before the Police Appeal Board. Said Police Appeal Board shall consist of:

- a) Two (2) Officers of any rank selected by the officer being disciplined.
- b) Two (2) Officers of any rank selected by the Chief of Police.
- c) One (1) City department head, which will be selected by the following procedure:
 - Management and the officer will each strike one name from a list of three department heads provided by the City Manager. This position will be non-voting unless in the case of a tie between the other members.

This board will review the facts and circumstances that led to the disciplinary action. Both the officer as well as the City administration shall have the right to present evidence and witnesses. The hearing shall be informal and not subject to the technical rules of a courtroom. This shall be a closed hearing and not open to the public. All persons present at the hearing shall have the right to:

- a) Be represented by counsel;
- b) Present evidence;
- c) Cross examine those individuals who are testifying;
- d) Present arguments.

This hearing shall be conducted no sooner than 72 hours, but no later than 240 hours (including weekends and holidays) after notification given by the officer being disciplined has been received, requesting the hearing. This time period may be extended or shortened by agreement between the two parties.

The board shall make one of the following recommendations by a majority vote:

1. **Exonerated** – All discipline shall be vacated and the officer returned to status and benefits as was before the discipline was imposed.
2. **Sustained** – The discipline as imposed by the Chief of Police shall remain in place.
3. **Modified** – The cause of action or the type of discipline has been modified by the board.

Disciplinary action, as utilized herein, may consist, but is not limited to the following of:

- a) Verbal Reprimand
- b) Positive discipline efforts that do not result in loss of pay or status.
- c) Loss of status within specialty groups or assignments
- d) Written Reprimand
- e) Re-assignment
- f) Loss/suspension of vacation hours in hours.
- g) Suspension in hours
- h) Demotion from a rank to another, one level less in seniority.
- i) Disciplinary Probation
- j) Dismissal

The Board's Chairman shall submit the recommendation of the board, to the Chief of Police and the City Manager within forty-eight (48) hours:

Any dissenting votes shall also file a report which shall be attached to the majority's recommendation for consideration by the Chief of Police and City Manager.

The City Manager shall cause the officer be notified of the final decision within twenty-four (24) hours of his receipt of the board's recommendation.

The ratification of this section by management and the bargaining unit shall eliminate the availability of appeals under the City of Sand Springs policy and procedure manual.

Police Officers who receive any form of discipline may grieve and arbitrate the discipline, taken under the Grievance and Arbitration Procedure outlined in Article VIII of this Agreement.

Section 6. Failure to comply with the provisions of this Article shall be grounds for the initiation of a grievance procedure, but shall not act to invalidate any disciplinary actions against an Officer.

Section 7. The parties to this agreement recognize the right of the City to have "new-hire" probation, and a probationary period for newly hired members of the police department. It is the intent of the parties that those members in their initial probation shall not be entitled to the protections set forth in this article, and that probationary employees can be terminated without any cause, and without the right to proceed to arbitration. Additionally, any contrary rights established by the pension laws of the State of Oklahoma are hereby waived on behalf of any probationary employee.

Article 10 **Seniority**

Section 1. – General Provisions

Except where impractical due to skill levels of employees, or where specific working conditions exist which would preclude certain employees from working specific shifts, and considering required manning levels, seniority will be the dominant factor to be considered by the Chief of Police when determining shift assignment, assigned regular days off and vacation, as defined herein.

Nothing in this article shall preclude the City Manager or the Chief of Police from asserting management rights as defined in this agreement.

Termination of employment shall terminate the employee's seniority. In the event a previous employee is re-hired, seniority shall commence on the date of re-hire.

If two (2) or more employees are hired on the same date, their seniority and employee number shall be determined by a total aggregate score from the initial employment testing (written test, physical agility test, and oral board scores).

If two (2) or more employees are promoted on the same date, their seniority standing will be determined by their last date of hire, unless one or more were promoted from a supervisor's rank, in which case their seniority standing shall be determined by continuous length of service as a supervisor.

Seniority after a voluntary demotion shall be established by considering the time held at the highest rank as time held at the rank the employee is demoted to. This time would be added to any time that the employee had previous service at that rank.

All dates used to determine seniority as defined herein shall be the date(s) recorded on approved personnel actions on file in the city personnel department.

Section 2. – Shift Bid

Annual shift change and days off bid shall be conducted as follows:

The Chief of Police will set the staffing levels for each shift and division, and which officers will comprise each division. These decisions will be at his sole discretion as a management right.

On the first Monday of June each year, a shift and days off bid form shall be posted, each officer will have one (1) hour to bid after the officer that is senior to him bids. Failure to bid during the officer's allotted time shall cause the officer to be placed at the bottom of the seniority list for that bid process. The officer shall be allowed to bid in person, by phone call to the supervisor overseeing the bid process, or by signed proxy held by another officer to act in his behalf and presented to the supervisor overseeing the bid process. The bid process shall be conducted during the hours of 0600 to 1800 hours each day. The bid process shall be closed after all officers have bid. Once a bid has been placed, it is final and no substitutions may be made.

A schedule shall be posted by the police administration no later than 1630 hours on the last Friday in June.

The schedule shall take effect at 0001 hours on the first Saturday in August.

Once the bid process has closed, officers will not be allowed to "swap shifts" with another officer except in cases of extreme hardship which will be determined by the Chief of Police. Limited duty exchanges that occur within the same pay period are permissible upon approval of the shift supervisor, division commander, and the Chief of Police.

Temporary shift and days off assignments of thirty (30) days or less can be made by the Chief of Police.

Shift and days off assignments can be made by the Chief of Police for officers attending training.

Seniority shall not be utilized for transfers between divisions.

Section 3. – Shift Modifications

If required due to turnover, injuries, hardships, reaction to crime trends or other exigent circumstances, The Chief of Police retains the management right to modify the shift and division staffing levels and schedules at his sole discretion.

If a change is made to the shift or division staffing levels during the course of the year after shift bid, but more than 30 days before the end of annual shift change, then the process outlined in section 2 without regard to the dates will be followed to rebid the shifts.

Article 11

Wages

Section 1. Members of the bargaining unit shall receive wages as set forth by the pay scale below. It is recognized by both parties that this agreement superseded the FY17-FY18 agreement after the City requested to open negotiations and offered the compensation plan in this article as well as other changes within this agreement. This was done in recognition that the environment of policing in the United States, demand on individual officers, danger of the profession, and competition for retaining manpower has changed during the agreement period necessitating action by the City. It is recognized that this is an unprecedented action and is unlikely to be repeated in the foreseeable future due to the scope and magnitude of the elevation in wages at great hardship to the City and its other departments. It is also recognized that the individual officers that comprise the Lodge deserve this compensation package as a result of their professional work, support of new policing philosophies as detailed in the Sand Springs Police Department Policing Plan and the method in which the Lodge operates in supporting innovative contract provisions contained in this document as well as a tradition of cooperation with the City to resolve all disputes by the continuing use of a management-labor approach in which the parties work jointly to make decisions that are in the best interest of the City, Lodge and our citizens.

The parties agree that in FY 18, employees will be compensated as reflected below in Pay Scale FY18, and this will be effective on the first pay period of the fiscal year for all employees. In addition, all

supervisory employees will be advanced one step increase on their anniversary date. Non-Supervisory will not be advanced on their anniversary date.

The parties agree that in FY 19, Supervisory employees will be compensated by advancement of one step in the first pay period of the fiscal year. In addition, Supervisory employees will receive an advancement of one step on their anniversary date. Non-supervisory employees will receive an advancement of one step on their anniversary date.

The parties agree that in order for an employee to progress to the next step in the plan, they must have at least a satisfactory rating on their most current evaluation.
